

BULLETIN 1

Dear participants,

It is with immense pleasure that we, the Confederação Brasileira do Desporto Escolar - CBDE received the "22nd World School Football Championship" and would like to welcome all of you to our country and wish you all the best during this tournament.

All our joint team efforts aimed to provide the best technical conditions for a high level competition and the necessary comfort for all delegations, so that they can thrive to achieve their best performance.

We all agree that school sports are the beginning of many great players of the future but even more so, it is a way of exchanging experiences between cultures, races, languages and so on. With that thought in mind we hope and wish that you all have a great stay, and enjoy your trip to Brazil and have a wonderful championship.

Best wishes.

Sérgio Rufino
President of CBDE
