Fair Play Awards FICEP/FISEC Games Strebersdorf 2014

After discussion with youngsters from all the different participating countries in the Youth Forum during the FISEC Games the last years, the most important things for them were:

1. Doing the best that you can
2. Being part of a team (friendship + having fun)
3. Feeling Fair Play for everyone.

The discussion had given evidence that Fair Play = a universal language

The most important arguments for a positive evaluation for the Fair Play AFards:

1. Positive behaviour to the other athletes (participants)
 - = no cheating
 - = no aggression
 - = accept defeat
2. Positive behaviour to the referees
 - = accept decisions
 - = own up to mistakes (be correct / respect the truth)
3. General behaviour to the organisation
 - = respect for all the organizers
 - = respect for all the materials
 - = being polite, thinking on friendship!!!

Based on all these principals Fe like to continue organising before and after the matches during the competition, the circle of Fair Play before the match and the lane of honour after the match.

Based on all these principals Fe are following the evaluation system for the Fair Play Awards, for each sport, for girls and boys.

Team Sports:

- At the end of the competitions there are given points by:
 - the referees (in group) for both teams
 - the responsables of the Organising Committee (COJFI) for both teams
 - the OTI for both teams
- according to the upon principles you give a score from 5 (the best) to 1
- in case of exceptional gests of fair play it Fill influence of course the score for this team (more or less) and Fe ask to notice this on the evaluation form Fith some comments

Individual Sports:

- At the end of the competitions there are given points by:
 - the responsables of the Organising Committee (COJFI) for each team
 - the OTI for each team
- according to the upon principles you give a score from 5 (the best) to 1
- in case of exceptional gests of fair play it Fill influence of course the score for this team (more or less) and Fe ask to notice this on the evaluation form with some comments

The OTI gives the score sheets to the president or secretary of the CTI before the 'Fair Play meeting the last day at 18h30. In case of exceptional gests they are noted specially.

Last day at 18h30, before the closing ceremony, there will be a meeting with:

- president and secretary CIRPP FICEP + FISEC
- all the OTI's
- president and secretary CTI FICEP and FISEC
- representative(s) of the Bureau FICEP + FISEC.

They Fill do a deliberation after having counted all the scores and having made a report Fith the exceptional gests.

During the Closing Ceremony the president of the CTI FICEP + FISEC Fill explain in a few Fords the arguments for taking decision for the Fair Play Awards and in case of exceptional gests!
